DISPATCH SERVICES PRICING & PROCESS

We Dispatch the Hypersonic Way! When we say we “*Dispatch the Hypersonic Way*”, we mean that we book loads in advance and work hard to eliminate empty miles. Drivers will know about future loads ahead of time and they will be compliantly coordinated so that your driver can schedule their rest time and still deliver loads on time. Our advanced booking system keeps your trucks rolling. We have a simple communications process that keeps all parties informed throughout each trip.

Pricing These are our two pricing plans from which you can choose the one that meets your need and budget.

Simple Plan	Assist Plan
<i>Simply booking loads for your trucks</i>	<i>Find loads for your trucks</i>
<i>Tell us what you need and we will work to negotiate the very best rates available</i>	<i>Send invoices to your factoring vendor</i>
<i>Upgrade to Assist Plan at any time</i>	<i>Work with Brokers to cover the cost of detention, layovers and TONU</i>
	<i>Follow-up and document overages, shortages and refusals</i>
Service Fee 5%	Service Fee 7%

Billing Cycle Or billing cycle runs from Monday thru Sunday each week. Customer will receive an invoice the following Monday and we will expect payment on Wednesday that week.

Payment Method Payments should be sent via Zell using hypersonict trucking@gmail.com.

Dispatch Communications Load details will be sent via email to the email you provide will come from dispatch0522@gmail.com. It is your responsibility to provide the best email address to use to communicate with you and to keep us informed of should the email address change.

Document Tracking Services and Process We will track trip documents from the shippers and receivers and submit them to your factoring vendor for processing in a timely manner. We will communicate with Brokers to ensure payment for detentions, layovers and TONUs. And we will document and follow-up on overages, shortages or refusals. In order to do this successfully, we require your drivers to adhere to a very simple document and location tracking process using the [ezLoads](#) Driver App and text messaging. This is all the drivers need to do:

Shipper/Receiver Arrival and Departure Tracking	Shipper/Receiver Documentation Tracking
Text to: (470) 387-9275.	ezLoads IOS and Android Apps: https://ezloads.net/driver-app
<ul style="list-style-type: none"> Text “in ship” when they arrive at the shipper’s location Text “out ship” when they are leaving the shipper’s location <p style="text-align: center;">AND</p> <ul style="list-style-type: none"> Text “in rec” when they arrive at the receiver’s location Text “out rec” when they are departing the receiver’s location 	<ul style="list-style-type: none"> Use the link above to download the appropriate app All permissions, sign in and agree to terms Enter personal information and SAVE Enter location information and SAVE <p>To start uploading documents:</p> <ol style="list-style-type: none"> Click the “Document” icon on the bottom menu Click the “Scan” button and allow permissions Hold camera over document and the auto capture will take a picture Use fingers on the squares and drag them until the image is outlined Click the “OK” button Click the “Check mark” Click the “Green document icon with the arrow” to send document Select the appropriate load from the list and click “Submit”
